# Modern Calculator

~Aditya LTD

Installation

SetUp

1- **Unzip the source code into a folder.**
2- **Open Android Studio.**

3- **Click on Open the project and select the folder in which the source code is unzipped.**
4- **Wait for the Sync to complete**

## *Changing the app name and the Logo*

1- After sync, Go to Strings.xml file located in "res/values/" folder in your project.

2-Change and add your app name to string "app_name" like below-

3- To change the logo add your logo to resources drawable folder.

4- Go to Manifiest and click and change the logo by typing the image name.

```xml
<?xml version="1.0" encoding="utf-8"?>
<manifest xmlns:android="http://schemas.android.com/apk/res/android"
    xmlns:tools="http://schemas.android.com/tools"
    package="com.aditya.moderncalculator">

    <application
        android:allowBackup="true"
        android:dataExtractionRules="@xml/data_extraction_rules"
        android:fullBackupContent="@xml/backup_rules"
        android:icon="@drawable/logo"
        android:label="Modern_Calculator"
        android:roundIcon="@drawable/logo"
        android:supportsRtl="true"
        android:theme="@style/Theme.ModernCalculator"
        tools:targetApi="31">
        <activity
            android:name=".MainActivity"
            android:exported="true">
        </activity>
        <activity
            android:name=".SplashScreenActivity"
            android:exported="true" >
            <intent-filter>
                <action android:name="android.intent.action.MAIN" />

                <category android:name="android.intent.category.LAUNCHER" />
            </intent-filter>
        </activity>

    </application>

</manifest>
```

manifest > application

Changing the package

1- **Click on the company name and in the shortcut menu go to refector and then rename rename the package and you can also rename the company name as shown in the image-**

2- Change package name in android manifiest as well as in the gradle build file(app).

3- Sync the project.

Enjoy the app build

😊
